

Governors' Allowances Policy

This policy statement has been developed in accordance with the Education (Governors' Allowances) Regulations 2003. These regulations give Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain allowances which they incur in carrying out their duties. St Ambrose Barlow R.C. High School Governing Body believes that paying governor' allowances, in specific categories as set out below, is important in ensuring equality of opportunity to serve as governors for all members of the community and so is an appropriate use of school funds. The specific items allowable reflect this objective.

All Governors of St Ambrose Barlow R.C. High School will be entitled to claim the actual costs that they incur as follows:

1. Governors will be able to claim allowances providing the allowances are incurred in carrying out their duties, as a Governor or representative of St Ambrose Barlow R.C. High School, and are agreed by the Finance Committee that they are justified before any reimbursable costs are incurred.
2. Governors will be able to claim for the following, on a case-by-case basis and with the prior approval of the Governing Body:
 - Childcare or babysitting allowances (excluding payments to a current/former spouse or partner);
 - Cost of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner);
 - The extra costs they incur in performing their duties either because they have special needs or because English is not their first language;
 - The cost of travel relating only to travel to meetings/training courses at a rate of £0.46 pence/mile if governor has business insurance or £0.17 pence/mile if travelling under the schools business insurance policy; this does not exceed the specified rates for school personnel;
 - Travel and reasonable subsistence costs on production of a receipt, associated with attending national meetings or training events, unless these costs can be claimed from the LA or any other source;
 - Telephone charges, photocopying, stationery, postage etc;
 - Any other justifiable allowances.

The Governing Body at St Ambrose Barlow R.C. High School acknowledges that:

- Governors may not be paid attendance allowance;
- Governors may not be reimbursed for loss of earnings

Governors wishing to make claims under these arrangements, once prior approval has been sought, should complete a claims form (obtainable from the School Finance Office), attaching receipts where possible, and return it to the School within two weeks of the date when the

allowances were incurred, when they will be submitted for approval by the Chair of Governors or Chair of Finance to be presented to the Finance Committee for final approval.

Claims will be subject to independent audit and may be investigated by the Chair of Governors (or Chair of Finance in respect of the Chair of Governors) if they appear excessive or inconsistent.

This policy will be reviewed annually.

DfE Regulations: Paying Allowances to School Governors (September 2003)

Key Messages

- Governing bodies can continue to choose whether or not to pay allowances to governors. The Department believes that it is good practice to pay such allowances as governors should not be out of pocket for the valuable work they do. Governors should be able to claim legitimate allowances where governing bodies have set up schemes to make such payments.
- Payments can be made for any expenditure necessarily incurred by individual governors to enable them to carry out governor duties.
- Allowances for travel cannot exceed the Inland Revenue Authorised Mileage Rates. Payments of other allowances must only be made on provision of a receipt. The amount to be paid should be determined by the governing body and be limited to the amount shown on the receipt.
- Governors cannot claim attendance allowances i.e. payment for attending meetings themselves, or for loss of earnings.
- Allowances can be paid to governors serving on temporary governing bodies, and to associate members.
- Governor allowances will continue to be paid from the school's delegated budget.
- In schools without delegated budgets, the LEA may pay governor allowances.
